THIS MONTHS MEETING

Textile Air Dispersion Design and Applications—presented by: Andrew Sorenson - President & CEO of Prihoda North America

Andrew Sorenson has more the 12 years in Textile Air dispersion design and implementation in the HVAC industry. Past positions held were Technical sales engineer and Regional Sales Manager. Andrew is now the President and CEO of Prihoda North America.

The presentation will go in depth on proper Textile Air dispersion design, specification, and installation considerations that will prevent issues and solve common air distribution challenges. The presenter will also provide an overview of where textile air dispersion products can be applied and the latest in air dispersion technologies.

Membership Promotion Night

As usual, since May is MP Night, anyone who hopefully brings a guest our Chapter will pay for their meal. Please think about someone you might work with that might be interested in joining ASHRAE and bring them as a guest. We certainly could use some new members!

I will not be at May’s meeting as I will be out of town that day. So if any guest is interested in joining ASHRAE please give them my name and e-mail address.

I will be our President for the 2016-2017 year and could use some help. So if anyone is interested in getting more involved in our Chapter please see me. Thanks, and I’ll see you at the golf outing.

Matt Matsinko, P.E.
Membership Promotion Chairman

Ideas for Seminars?

The Chapter Technology Transfer Committee is responsible for providing educational programming in the form of several seminars per year. The committee has planned some great meetings for the 2014-15 Chapter year, and we want to hear from you about content you would find relevant for a half-day seminar. Please send ideas to the Chapter Technology Transfer Committee at c098cttc@ashrae.net.

NEW LEHIGH VALLEY CHAPTER MEMBERS

Welcome to these new Members in the Lehigh Valley Chapter

LEHIGH VALLEY CHAPTER RESEARCH PROMOTION UPDATE

I would like to thank the following contributors to this year's Research Promotion Campaign

Gary C. Debes	Joe Ketterbaugh	Erony Martin	John Marple
Jeffrey Cully	David Strunk	Strunk Albert Engineering	Bryan Sandt
James Waechter	Spirax Sarco	Blanski Energy MGT.	Entech Engineering

Our Status for 2014-2015

Last year's campaign raised over 2 million dollars for ASHRAE Research which ASHRAE matches with money from the AHR Expo. There are over 9 Million dollars of Research Projects being worked on at any given time. So please be generous when a committee member calls and asks for your support of these vital projects.

Gary C. Debes
Lehigh Valley Chapter President Elect
