Research Promotion

Good day!

April, May and June are truly exciting months for Lehigh Valley ASHRAE. These spring and summer months are used to break from the traditional meeting schedule and offer variety. As a chapter, we see many who normally do not attend other meetings attend during these times. I want to encourage everyone to take advantage of the webinar in April, Tour in May and Golf outing in June.

The golf outing is truly a unique event in that it is more fun than function. It is also the single largest fundraiser for the Research Promotion Committee for the Lehigh Valley in any given fiscal year. Because research funded or performed by ASHRAE affects our business lives, I would encourage anyone who enjoys golfing to sign up for the golf outing, take a day to play and inevitably benefit our business/trade.

I encourage all the members to consider becoming hole sponsors, longest drive sponsors or provide other support towards the golf outing and research promotion this year.

Finally, I hope to see you at this month's meeting.
